NATIONAL INCLUSIVE LEARNING ACCELERATOR (NILA)

Inclusive Education Training for Primary &
Secondary Schools

www.dadeinitiative.com

The National Inclusive Learning Accelerator (NILA) is a premium institutional training and school transformation program designed to help schools implement inclusive education effectively.

It is a practical, implementation-focused capacity-building program for schools.

Forward-thinking schools are already investing in inclusive education to:

- Improve teacher effectiveness
- Increase parent trust
- Strengthen school reputation
- Support diverse learners effectively
- Create safer learning environments
- Position themselves as future-ready institutions

Inclusive education is becoming a competitive advantage.

Modern parents increasingly prefer schools that:

- Understand different learning needs
- Support emotional wellbeing
- Reduce learner exclusion
- Build student confidence
- Create learner-centred classrooms

Inclusive schools are increasingly perceived as more professional, advanced, and student-focused.
